DYNAMIC GERMAN OPEN 2006

HARALD STOLKA LANDS OUTSIDER-VICTORY

Winner Harald Stolka

JP PARMENTIER / EPBF

> At the third Tourstop of the running Eurotour season, the Dynamic German Open in Sindelfingen, the Euro Tour produced its next large surprise. German Harald Stolka, having entered the event as the No. 86 of the Eurotour overall rankings, upset the gathered elite and got the title which was endowed with €5.000,00. Hereby the native Munich proved his nerve strength even more than once. After an early preliminary round defeat against the Turk Harun Arslan he succeeded again to revenge Arslan at the crucial qualification match and thus to reach the

final round. There he kept the upper hand in a whole set of nerve-racking matches. After a 10-9 success in his first match of the Last 32 against the Pole Thomasz Kaplan he let follow a 10-8 success against fellow-countryman Florian Hammer, before he assured his jump under the Top 4 by winning with 10-8 against the runner-up of the Dynamic Czech Open, Darren Appleton, in the quarter finals. Here Stolka catched on in his first Eurotour semi final after approximately five years with 10-9against the Dutchman Niels Feijen. Herewith he had reached his very first Euro Tour title match at all. Ironically the following 10-7 in the duel with fellowcountryman Oliver Ortmann was his clearest result of the entire final round. Hungarian Vilmos Foldes completed the podium at this Tourstop after his thinkably scarce 9-10 defeat in the round of the last 4 against Ortmann.

In the Eurotour overall rankings Thomas Engert (GER) has defended his lead, while both finalists made the biggest jump forward. Thus Stolka gained 50 places up to position 36, Ortmann got up 12 places from 19 to 7.

ABOUT IBPF

International Billiard Promotion Foundation (IBPF), that is the new organizer's name of the poolbilliard Eurotour, the only existing successfull European professional tournament series in pool for now over 12 years. The IBPF is the exclusive partner of the European Pocket Billard Federation (EPBF). With its whole power and engagement, the IBPF, decisively supported by Eurotour titlesponsor Dynamic Billard, wants to further develope the Eurotour with a completely revised system.

IBPF CHANGES BREAK-REGULATIONS

Since the so called "Soft Break", at which the white one is shot with only minimum energy against the rack was practiced by more and more players, however the Break-Shot generally belongs to the most spectacular thing that the discipline 9-Ball has to offer for spectators, the rules for the opening shot were now adapted. In the future at least three balls must cross the headline at a break, which is rather unlikely with executing a "Soft break".

This rule adjustment naturally caused plenty of discussion material especially among the players, but finally the organizer IBPF showed to be very content with the result and wants to thank the players for their understanding and assistance. Also in Sindelfingen the rule was introduced that each player has now three breaks in consequence. This relieves the old regulations, after which the matches were played in an alternate break mode.

IBPF PRESENTS NEW SPONSORS

The Australian Internet company "Improve your pool. com" will become title sponsor of the remaining four tourstops in 2006 to take place this year in Rankweil/ Austria, Weert/Netherlands, Frauenfeld/Switzerland and Benalmadena/Spain. Within the scope of the Dynamic German Open in Sindelfingen this was announced by the Tour organizor IBPF. Beyond that the IBPF showed confident that within the coming

weeks a contract with betting company BetandWin will be signed. That would mean that starting from the upcoming Tour stop, the "Improve Your Pool.com Austria Open" from 09.-11.06.2006, the tournament happenings would be presented by Internet Live Stream. Beyond this the IBPF starts the attempt in Rankweil to merge parallel to this the Live Scoring of all current matches into the Internet presentation.

ALMOST 300 PROVIDE FOR AN AWESOME SCENERY

The crucial matches here in Sindelfingen received a more than suitable setting. No costs and troubles were spared, in order to offer the spectators a perfect atmosphere. And these troubles

were worthwhile, because almost 300 spectators found their way to Sindelfingen and hereby contributed to make this tournament a long lasting experience for everyone involved.

DIAMOND 9 SERIES INFO

A lot of important revises have helped to further increase the standard of the EPBF Eurotour. What has been already successful in the past, was now further developed for the sake of pool billiards sports in general as the "Diamond 9 Series". Long-termed contracts with organizers onspot are the key-point. They help all involved parties like players, visitors, sponsors and media, to plan for their respective purposes. Additionally, the total prize-money was increased to now €36,000.
